Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following Amendment of the Council of Fresno County of Governments' (COFCG) 2002/03-2007/08 Federal Transportation Improvement Program (FTIP):

No.	Description
12	**Local Element** • Transfers $ 140,000 of residual right of way funding from prior years to the construction phase in the current triennial element for the Villa Avenue Reconstruction Project in the City of Clovis. The project includes funding from the Regional Surface Transportation Program (RSTP).

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment for inclusion into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years not within the three-year cycle of the current FSTIP are not approved as part of this FTIP Amendment and are shown for information only.

The change being proposed to the Federal Transportation Improvement Program by this amendment has been found by COFCG to not require a conformity analysis or determination. Therefore, this FTIP Amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis. These projects are included and submitted by COFCG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

In accordance with existing law, public involvement procedures are a part of the project selection process. The COFCG prepared this FTIP Amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,
